Moneghetti Announces Appointment of Anne Hite as CEO

March 21, 2023

Moneghetti Minerals Limited (Moneghetti, the Company) today announced the appointment of US-based Anne Hite as chief executive officer (CEO), effective immediately.

Ms Hite is a geophysicist and an industry veteran having held several senior leadership roles in her capacity as an investor relations professional. Ms Hite's background includes over 20 years providing strategic and financial communications guidance to North American small to mid-sized mineral exploration and producing companies in the precious and rare earth sectors. Past clients and employers have had projects in Ghana, Nevada, Armenia, Brazil, Chile, Peru, Alaska and other locations. Most recently, she ran her own successful consulting business focused on transactional communications and supporting numerous capital raisings as well as and managing stakeholder relations. Ms Hite holds a BSc degree in geophysics and an MBA and is based in Denver, Colorado.

Anna Nahajski-Staples, Founder and Managing Director of Moneghetti said; "We are thrilled to add Anne to our leadership team. She understands the high growth, competitive and dynamic environment that we operate in, and we believe her resilience and track record of working successfully with companies, similar to us to build shareholder value during high growth periods, will be a tremendous asset to our company."

Anne Hite, CEO of Moneghetti said; "I am delighted to join the Moneghetti team at such an exciting time for the Company. In particular, I am inspired by Moneghetti's unique commitment to responsibly sourced gold from such an early stage and being part of a culture continuously challenging the status quo and striving for better ESG practices in the resources industry. I look forward to working with the team as we continue to build on that commitment as well as generating shareholder value."
